

Christmas gift ideas from The Fred Hollows Foundation NZ Christmas Miracle

Miracle of Sight:

As supporters of The Fred Hollows Foundation NZ, you already know what a life-changing difference a 20 minute cataract surgery can make. This Christmas we would like to offer you the opportunity of sharing the Miracle of Sight. For just \$25 you can send a Miracle of Sight card to your family and friends, or we can send a personalised card on your behalf. You can both celebrate Christmas knowing that somewhere in the world there is a very special Christmas celebration going on because of you.

Your Miracle will change lives.

When Deonisia regained her sight, a family got their mother and grandmother back. The whole family, indeed the whole village is richer thanks to a simple, \$25 Miracle.

You can create more Miracles with our Miracle Club. If you enjoyed buying or receiving this Miracle, it's easy to do even more. Simply call 0800 227 229 or visit www.hollows.org.nz/monthly-giving to join our Miracle Club and help us continue to deliver Miracles all year round.
